

The Colorado Health Foundation™

Grantee Resources

Our success depends on your success. You may find these resources helpful when preparing your application. Resources are suitable for all grantees, including first-time applicants:

Grantwriting

- [The Foundation Center](#) offers FAQs, reference guides and information about writing grant proposals.
- [Principles & Practices for Nonprofit Excellence in Colorado](#) is a guidebook detailing nine principles and 120 practices to help Colorado nonprofits assess and strengthen their work.
- [Introduction to Proposal Writing](#) is a training course from The Foundation Center.

General Information

- Review our Grantmaking Glossary in [English](#) and/or [Spanish](#) to become familiar with the terminology that appears throughout the application process.
- [The Colorado Nonprofit Association](#) is a statewide coalition that connects nonprofits of all sizes.
- [Grantmakers for Effective Organizations](#) offers strategies and practices that contribute to grantee success.
